Garden Grant – Tractor Supply Company

We recently received a \$200 gift card from Tractor Supply Company to fund the materials needed for a garden program. We are thankful for this community partnership and can't wait for next steps in this project.

CMAS Testing

From April 3rd through April 20th, third through fifth grade students will be taking the Colorado Measures of Academic Success (CMAS) state test. Students are encouraged to get enough rest and attend school with excellent attendance during this time period. The scores and growth reflect our hard work as a school, so help your child understand the importance of doing their best.
